

## **15 May 2003: CMSAG Summary**

In attendance: Joe Burley, Erin Easterling, Randy Graff, John Holmes, Doug Johnson, Kris Kirmse, Terry Morrow, Chris Sessums, Ron Thomas, Marvel Townsend, Mike Wright.

### **I. Opening Comments and Discussion:**

Doug provided the committee with information about his new location (CSE E548) and phone number (392.2007).

Steven Murray, a new addition to the CMS Administration, now known as *Learning Support Systems*, staff was introduced.

### **II. WebCT Vista demo**

Access to the Vista 2.0 demo site has been extended at least through the end of May. Many members of the committee indicated favorable impressions of the new version. Joe Burley discussed his experiences taking a technologically non-proficient instructor into Vista 2.0 and her positive experiences therewith. There were a number of issues that members of the committee wanted to further explore in Vista 2.0 including the media library function.

### **III. Report Writing**

#### *Work Group Leaders:*

Yet another reminder that each work group leader should be writing a brief report to present the information and recommendations developed under his or her auspices.

#### *Recommendation and Planning Draft:*

Doug will soon circulate the next edited draft of a final report document. Please devote adequate time to read and offer suggestions on how to continue developing the final document.
